WHAT ARE WE MONITORING?

WHAT?? Juvenile Justice and Delinquency Prevention Act (JJDP) 1974 – created to promote the well-being of youth in the United States. The act provides funding, programs, and state advisory group etc.

4 CORE REQUIREMENTS

1. **Deinstitutionalization of status offenders**
2. **Removal of juveniles from adults jails and lock ups**
3. **Sight and sound separation of juvenile offenders from adult offenders**
4. **DMC - Disproportionate Minority Contact with the juvenile justice system**

As established by O.C.G.A., the CJCC monitors GA's compliance and reports to the U.S. Department of Justice

JUVENILE OFFENDERS

- Delinquent: A youth who has been charged with or adjudicated for conduct that would, under the law of the jurisdiction in which the offense was committed, be a crime if committed by an adult
- Status/CHINS: A youth who has been charged with or adjudicated for conduct which would not, under the law of the jurisdiction in which the offense was committed, be a crime if committed by an adult; i.e. truancy, runaway, ungovernable, unruly, possession of alcohol
- Non-Offender: A youth who is subject to the jurisdiction of the juvenile court, usually under abuse, dependency, or neglect statutes or as an alien juvenile, for reasons other than legally prohibited conduct of the juvenile
- Other: i.e. Juvenile charged as adult (SB440)

DEINSTITUTIONALIZATION OF STATUS OFFENDERS

Federal Law Summary

42 U.S.C. 5633 Sec 223-11(a):

SIGHT AND SOUND SEPARATION

Federal Law Summary

42 U.S.C. 5633(I I):

All juvenile offenders (delinquent/status/other) may not be detained or confined in any facility in which they have contact with adult inmates

Sight and Sound Separation

Sight Separation: clear visual contact between adult inmates and juveniles within close proximity to each other

Sound Separation: direct oral communication between adult inmates and juvenile offenders

****Brief and inadvertent or accidental contacts between juvenile offenders in a secure custody status and adult inmates in secure nonresidential areas of the facility do not count as violations**

THERE ARE NO EXCEPTIONS FOR SIGHT AND SOUND SEPARATION

SCARED STRAIGHT, JAIL TOURS, ETC

JJDPA

- No juvenile shall enter, for any amount of time, into a secure setting or section of an adult jail, lock up , or other adult detention facility as a disposition of an offense or as a means of modifying behavior

Scared Straight/ Jail Tours

- Proven to be not only ineffective but actually increases the likelihood that youth will engage in offending behavior

WHY

WHY??

GEORGIA IS COMMITTED TO PROVIDING WHAT IS 'BEST PRACTICE' FOR JUVENILES WHO COME INTO CONTACT WITH THE JUVENILE JUSTICE SYSTEM.

More than a century of research supports the premise that youth are fundamentally different than adults, in both their level of responsibility as well as their potential for rehabilitation. The JJDP core requirements represent the highest standards for juveniles and are a result of evidence base research.

Georgia receives money from the Office of Juvenile Justice and Delinquency Prevention. Georgia loses 25% of funding for each protection found out of compliance, AND must focus 50% of remaining funds on the problem. CJCC and DJJ work collaboratively to fulfill this requirement
